- School Library
- Assembly Hall
- On-site Pre-School
- 2:00 to 4:15 Homework Club

EXTRA CURRICULAR ACTIVITIES

We firmly believe in the holistic development of each child. We are an “Active School” and start each day with our Daily Mile. As a school, we participate in a wide variety of sports and activities such as *GAA, dance, horse riding, yoga, soccer, basketball and athletics.*

We also believe in supporting our student’s mental health and well-being as well as physical. Through our focus on developing a positive mindset and fostering mindfulness in the school, we have recently been awarded the ‘Amber Flag’ from Pieta House, after creating a Mindfulness corner in our school library.

WE HOPE THAT A PUPIL WHO HAD SPENT EIGHT YEARS WITH US WOULD...

- Have achieved their full potential, developed individual talents and a positive work ethic and grown as individuals
- Be able to work and think independently, possess a commitment to lifelong learning and an ability to question
- Have high self-esteem, a sense of belonging and be respectful and tolerant of others
- Have enjoyed learning and have happy memories of a school where they were encouraged, nurtured, loved, supported and challenged
- Be confident and competent
- Be aware of the contribution they have to make to their community and society in general
- Have acquired good communication skills and be socially interactive
